

**Call for entries (Deadline: 6 August 2013)**

## **"Überbleibsel [Leftover]"**

We are looking for works that consist of leftovers, or were inspired by them.

Regardless, failed, ordered and not picked up. Something from the chips fallen there, where you are working. Unpopular, hidden in drawers, the leftovers from lunch, not yet found a suitable frame for it, maybe it will become something sometime, maybe it's something now, maybe it tastes after all.

Not only tangible remnants but also works from leftover ideas, thoughts or concepts are welcome!

**Duration of Exhibition: 07.09.2013 - 22.09.2013**

Location: konnektor - Forum für Künste

We are a young small art space in the lively district Linden of Hanover. konnektor exists since Feb. 2011 and is enriching the cultural scene of Hanover with his exciting projects.
